ANNUAL REPORT

Since 1949, we have been dedicated to caring for our neighbors, evolving from a small rural hospital into an **independent, not-for-profit** regional health system. While our reach now spans **17 accessible locations**, our commitment remains rooted in **enhancing the health and well-being of our community**. As a nationally recognized pioneer in **behavioral health** and home to an **award-winning cancer center**, we offer advanced, leading-edge care across comprehensive medical specialties and patient support programs. Named one of the **top 150 healthcare workplaces** in the USA, we are proud to continue serving Northern Nevada with excellence and compassion.
