

### **Agreement for On-Duty Meal Periods**

Carson Tahoe Health and the non exempt hourly employee signed below, agree that the nature of the employee’s work may, from time to time, prevent the employee from being relieved of all work duty during the employee’s meal period. When the employee is required to work during an on the job meal period, the employee shall be paid for the time s regular work time, or overtime pay, if applicable.

This agreement is entered into freely and voluntarily.
